Rotary Children's Christmas Celebration

Volunteer Opportunities – Packing Evening

Christmas Elves are needed! On December 12th from 4:30-9:00pm we will be needing volunteers to help wrap books and pack the classroom gift packages. Each child receives a book and the class has a gift box filled with items. Volunteers help sort, wrap and pack the classroom packages. Come for an hour, help out and enjoy some pizza. Feel free to bring a friend!

Christmas Elves needed to help make magic happen!

The magic happens on Thursday December 14th! Our annual Children's Christmas Celebration. Over 700 children will enjoy a traditional turkey dinner thanks to the efforts of our Rotarians. We need Rotary elves to help serve and deliver the food to the children, assist with set-up and take down. This is a great event to bring a potential new member, sponsor, friend or family members to help out. Sign up now for December 14th!

Please select an elf duty and email amoroz@cogeco.ca to confirm
